

Questions

1. What is your web page about?

My page is about a book store.

2. Who is the web page to?

It's for everyone. I'll be selling fictional books meant for all ages. A section for children, between the ages 4-12, a section for teenagers between the ages 13-17, and last an adult section.

3. Do you already have a logo?

Yes, a simple open book logo.

4. Do you have a structure in mind?

No, I just have the separation for the different ages in mind.

5. Is a help chat on your mind?

Yes, a help chat is always needed for the clients.

6. What types of books are you selling?

I'm only selling fiction books, I want seasonal web page, for example, at December I want a Christmas theme, in October a Halloween one and etc.

7. Do you need your site to support multiple languages?

Yes, but only English, Spanish and Portuguese. I'm only selling books in Spain and Portugal.

8. Will users register on your site?

Yes, so they can save the books they want to buy, and to keep track of your order.
